Part II: School Demographic Information

10. School Demographic Profile:

Based on available data from school or district resources, please provide the following information about the student population of your school, as available:

	STUDENT POPULATION
School Student Population (# of students)	
Ethnic Breakdown	
Linguistic Breakdown	
Reduced / Free Lunch Participants	
Students with identified special needs	
Gender (if available)	

Part III: Diversity narrative

One goal of our program is to help our teacher candidates apply their knowledge across a range of situations with a variety of types of students (e.g. diverse ethnic backgrounds, differing levels of English proficiency, varied socio-economic groups or learning differences). In a brief essay (300 words maximum) please describe how your current teaching setting could allow you to meet the challenges of such diversity. If you do not believe your setting would adequately address such issues, how would you propose to address these issues? NOTE: This required supplemental report does not replace the statement of personal and professional goals essay also required to complete your application.
