

# Professional Development

## Regional Training Center

### Professional Development for Teachers

The School of Education at The College of New Jersey has partnered with the Regional Training Center (RTC) in order to provide graduate-level professional development coursework, as well as courses leading to a Master of Education in Educational Leadership – Instruction (see School of Education section). This affiliation merges TCNJ's excellent reputation in higher education with the Regional Training Center's comprehensive, relevant coursework.

All courses carry graduate credit in teacher education from TCNJ. Students who are interested in applying for matriculation into the Master of Education program and transfer/use of previous coursework should review <https://graduate.tcnj.edu/regional-training-center/>. Students who apply for matriculation into one of TCNJ's other Master of Education programs may apply a maximum of 6 credits as elective credit, pending approval by the graduate program coordinator. Elective credit requirements vary by specialization, and students must contact their graduate program coordinator prior to registration for course approval.

For a full listing of courses (including new courses in English Language Learning Education and Technology in the Classroom) and to register for these courses please contact:

Regional Training Center
